

INTERNATIONAL CERAMIC,
BATHROOM & KITCHEN
EXHIBITION

27-29 June 2019

Landmark Centre
Lagos - NIGERIA

**RICHEST
ECONOMY
IN AFRICA**

Nigeria is a country in need of many goods and products. Even if the local market of Nigeria is in a constant state of development, the country relies on imports greatly.

Nigeria builds around
100.000
homes annually

Nigeria Holds
43% of
All Projects
in The Total
Project Value
in Africa

By 2050 Nigeria is expected to become one of the **top 20 economies** worldwide

Co located with:

LAGOS TO HOST A DEDICATED CERAMICA EXPO

Ceramica Expo West Africa is a dedicated event for manufacturers and suppliers of ceramic products to showcase their latest product design and innovation. Industry professionals from the region will witness and action packed event which will be hosted in Lagos this coming June.

GLOBAL MEETING POINT OF SECTOR IN WEST AFRICA

Lauch Event CERAMICA EXPO will gather the sector at Lagos Landmark Event Centre!

Gathering buyers and manufacturers of ceramic, stone, bathroom and kitchen products from around the world, CERAMICA EXPO also offers a broad educational agenda, with free to attend certified workshops.

3 days during which international companies meet architects, designers, contractors and retailers and show the new products in the sector.

MORE THAN JUST AN EXHIBITION...

Ceramica Expo West Africa will be more than just an exhibition of product displays and showcase.

**HUNDREDS OF
NEW
PRODUCTS**
